

# Is your school ready for me?

## Have you:

Given information about the school that early learning services can share with tamariki?

Visited the tamaiti in their early learning service?

Made connections with early learning services?

Invited tamariki to visit with their whānau and early learning service teacher?

Found a cultural support person from your staff or community for this whānau?

Translated information into home languages?

Showed whānau the ways in which you have readied the school for their tamariki?

Staggered information for whānau and tamariki only when it's needed?

Encouraged whānau to bring a taonga along that represents them and their tamariki?

Given whānau information about the school's vision and values, and asked them what they would like to share about their family values?

Invited whānau to share their knowledge and experience of their tamariki with you?

Developed a space in your school where whānau feel comfortable to talk to school staff?
